

User story card

As a resident of Bluesville

I want a wide choice of fitness facilities

Because I want to live a healthier life

I'll be happy when I regularly do fitness activities I enjoy

User story card

As an elderly resident who can't swim

I want daytime swimming lessons

Because my doctor has advised me to start swimming

I'll be happy when when I can swim 20 lengths unaided

User story card

As the local GP

I want daytime group fitness activities for the elderly

Because many of my elderly patients are lonely and not very fit

I'll be happy when my elderly patients are more healthy and have made new friends

User story card

As as someone commuting from Bluesville

I want to stand at the railway station without getting wet

Because the trains are unreliable and there is no shelter on the platform

I'll be happy when some form of all weather shelter is provided on the platforms

User story card

As a regular visitor to Bluesville

I want cheaper parking and less traffic congestion

Because the cost of parking and traffic queues put me off shopping at Bluesville

I'll be happy when parking is at least 50% cheaper and traffic is much less busy

User story card

As a resident in the council flats

I want to feel safe leaving my flat

Because I don't feel safe outside

I'll be happy when the lighting is improved and there are fewer gangs hanging around

User story card

As someone who enjoys fishing

I want the canal to be full of fish

Because I have fond childhood memories of fishing there with my dad

I'll be happy when I can spend a lazy Sunday fishing the canal

User story card

As parents of small children

I want lots of outdoor space to run around in

Because there is nowhere safe in Bluesville for children to run around

I'll be happy when the park and canal paths are tidied up and better maintained

User story card

As a resident in Bluesville

I want the place to look nice

Because I don't like seeing litter and grafetti everywhere

I'll be happy when I can walk through the town without seeing crisp packets everywhere

User story card

As a local shop owner

I want more people shopping in Bluesville

Because lots of our local shops are about to go under

I'll be happy when the highstreet is bustling on a Saturday morning again

User story card

As a teenage schoolchild

I want to feel safe coming home from school

Because I often have to run home to avoid gangs

I'll be happy when My mum doesn't worry about me being stabbed

User story card

As an unemployed teenager

I want something to do

Because I'm bored

I'll be happy when I've something to do

User story card

As a wheelchair user

I want better access to local ammenities

Because I'm reliant on others to get about the town

I'll be happy when I can get to the library and shops on my own

User story card

As a young schoolchild

I want our area to be more environmentally friendly

Because there is no Planet B

I'll be happy when I can see more wilslife and less plastic

User story card

As the town mayor

I want more people to want to live in Bluesville

Because without new people coming in our town will wither

I'll be happy when I see lots of young families walking about at weekends

User story card

As a music lover

I want to make and listen to live music

Because music can bring joy to people

I'll be happy when we have a vibrant cultural vibe

User story card

As lead singer of Spandana

I want Bluesville to be as nice as I remember it growing up

Because I want to do something worthwhile with my money

I'll be happy when I see evidence my investment has made Bluesville a better place to be

User story card

As a potential property investor

I want Bluesville to be an up & coming place

Because I want to make a profit from renovating houses

I'll be happy when house prices increase
