

As....**a BBQ nut**

I want....a garden with a big BBQ area

Because....I like hosting BBQ parties all year round

I'll be happy....once I've held my first BBQ party

As....**a child**

I want....a garden that's safe and fun to play in

Because....I like playing outside with my friends

I'll be happy....once I've had my outdoor birthday party I was promised

As....**a keen cook**

I want....a garden where I can grow my own food

Because....I like the taste of home grown, home cooked food

I'll be happy....once I've shown my friends what I've planted

As....**a retiree**

I want....a garden that is peaceful & relaxing

Because....I like dozing in the sunshine listening to nature

I'll be happy....once I've held a tea party with my friends
